Saturday Delivery?

## Additional Information

- Please email requests to [SupplyRequest@PrimusLabs.com](mailto:SupplyRequest@PrimusLabs.com)
- Requests for overnight shipments must be received before 3:00pm to guarantee overnight delivery.
- Upon receipt, sponges and swabs should be stored in a refrigerator to maintain the temperature guidelines of 2°C to 8°C (or 35°F to 46°F).
- When shipping samples back, please use blue ice that has been frozen for a minimum of 24 hours to ensure environmental samples are below 10°C and produce is below 20°C (frozen produce must be below 0°C).
